

REPORT ON QUIZ COMPETITION ON NEP 2020 AND INDIAN KNOWLEDGE SYSTEM (IKS)

Introduction

Shri Gnanambica Degree College (Autonomous) recently organized an engaging quiz competition focusing on the Indian Knowledge System (IKS) and the National Education Policy (NEP) 2020. The event was facilitated by the NEP Saarthi's, with the aim of promoting awareness and understanding of these crucial educational topics among students.

Overview of the Event

The quiz competition took place on 23-06-2025 and attracted a significant number of participants, with a total of 100 students forming teams to compete. The event aimed to encourage collaborative learning and critical thinking regarding the implications of NEP 2020 and the importance of Indian Knowledge Systems in contemporary education.

Competition Format

The competition was structured in several rounds to identify the best teams:

1. Preliminary Round: Initially, all participants competed in a written preliminary quiz round, consisting of multiple-choice questions covering both IKS and NEP 2020.
2. Quarterfinals: Based on the preliminary round's scores, 8 teams were selected to advance to the quarterfinals. The teams were comprised of enthusiastic participants who displayed commendable knowledge and teamwork.
3. Semifinals: From the quarterfinals, 5 teams moved on to the semifinals, where they faced more challenging questions in a dynamic buzzer format, fostering quick thinking and teamwork.

4. Finals: The top 3 teams from the semifinals advanced to the final round, competing for the championship title.

Results and Recognition

The final round was conducted in an electrifying atmosphere, with the competing teams exhibiting exceptional knowledge and enthusiasm. After a rigorous competition, all three finalist teams were awarded for their outstanding performances:

1. Champion Team: B. Praveen, N. Poojith Sai and P. Dhruva
2. First Runner-Up: T. Dilip, D. Bindu and S. Dadapeer
3. Second Runner-Up: G. Sreenivasulu, M. Sreehari and D. Anji Reddy

Each finalist received certificates and prizes to honor their efforts and achievements.

Conclusion

The quiz competition on IKS and NEP 2020 conducted by the NEP Saarthi's proved to be an enriching experience for all participants. It successfully fostered interest in critical educational reforms and traditional knowledge systems while promoting teamwork and healthy competition. The event was well-received, and the college is looking forward to hosting more such initiatives to enhance awareness and understanding among students about crucial educational policies and cultural heritage.
