REPORT ON CAMPUS CLEANING PROGRAM

Date: 13-04-2026

Venue : Shri Gnanambica Degree College Campus

Introduction:

A Campus Cleaning Program was organized at Shri Gnanambica Degree College (Autonomous), Madanapalle, with the objective of promoting cleanliness, environmental awareness, and social responsibility among students.

Participation:

A total of **65 students** actively participated in this program. All the students showed great enthusiasm and dedication throughout the activities.

Activities Conducted:

The program included various activities such as:

- Cleaning of classrooms and college surroundings
- Removal of plastic waste and dry leaves
- Sweeping and maintaining hygiene in common areas
- **Tree plantation drive** to promote greenery and environmental protection

Execution of the Program:

Students were divided into small groups and assigned different areas of the campus. Each group worked efficiently to clean their respective areas. The tree plantation activity was carried out with proper guidance, and saplings were planted in suitable locations within the campus.

Role of Faculty and Volunteers:

Faculty members supervised the activities and guided students throughout the program. Volunteers helped in organizing materials, distributing tools, and ensuring smooth execution of all activities.

Safety Measures:

- Students were advised to use gloves and masks while cleaning
- Proper handling of waste materials was ensured
- Awareness was given on avoiding harmful objects

Outcome and Impact:

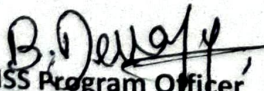

- The campus environment became clean, hygienic, and pleasant
- Students developed awareness about environmental protection
- The tree plantation contributed to increasing greenery
- Students learned the importance of teamwork and responsibility
- Positive attitude towards cleanliness was observed among participants

Feedback from Participants:

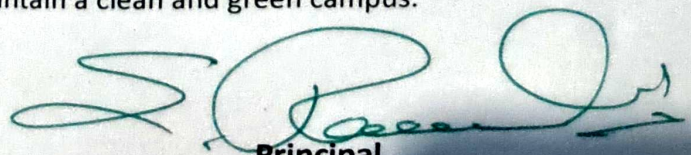

Students expressed that the program was very useful and informative. They felt motivated to maintain cleanliness not only in the campus but also in their surroundings.

Conclusion:

The Campus Cleaning Program created awareness about cleanliness and environmental protection among students. It also helped in developing teamwork, discipline, and a sense of responsibility. Such programs should be conducted regularly to maintain a clean and green campus.
