## Report on World Earth Day Celebrations

Shri Gnanambica Degree College (A), Madanapalle, celebrated **World Earth Day** on **22nd April 2026** with great enthusiasm and environmental awareness. The program was organized to create awareness among students about the importance of protecting the environment and preserving natural resources for future generations. The celebration began with a welcome address by the faculty members, who explained the significance of World Earth Day and the need for every individual to take responsibility for maintaining a clean and green environment. The theme of the program focused on environmental protection, tree plantation, and sustainable living.

All the **NSS volunteers** actively participated in the celebration by presenting the **best environmental themes**, highlighting the importance of protecting nature and creating a greener future. The students displayed creative ideas and meaningful messages related to saving the Earth, reducing pollution, conserving water, and avoiding plastic usage.

The program was guided by **Respected Correspondent Sri R. Guru Prasad Sir**, who encouraged the students to actively participate in social and environmental activities. **Principal S. Ramadevi Madam** also addressed the gathering and gave a motivational speech about the responsibility of students in protecting the environment. Their inspiring words encouraged the students to take part in such noble activities with dedication.

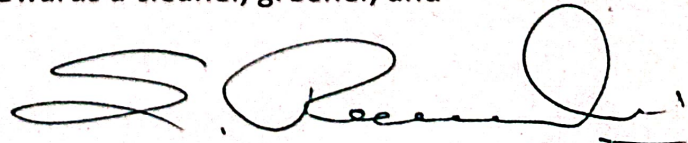

The NSS volunteers organized various activities such as:

- Campus cleaning program
- Tree plantation drive
- Environmental awareness themes
- Slogans on saving nature
- Student speeches on Earth conservation

The Principal appreciated the efforts of all NSS volunteers and encouraged them to continue participating in activities that help society and protect nature.

The World Earth Day celebration concluded successfully with a pledge by all participants to protect the environment and work towards a cleaner, greener, and healthier planet.
