REPORT ON WORLD ENVIRONMENT DAY CELEBRATION – 2026

Name of the Institution: Shri Gnanambica Degree College (Autonomous), Madanapalle

Organizing Unit: National Service Scheme (NSS)

Programme: World Environment Day Celebration

Date: 05 June 2026

Venue: Shri Gnanambica Degree College (Autonomous) and Madanapalle , APSRTC Bus Station

Introduction

World Environment Day is celebrated every year on 5th June across the world to promote awareness and action for the protection of the environment. The day reminds people of their responsibility towards preserving nature and maintaining ecological balance for future generations. Environmental issues such as climate change, global warming, pollution, deforestation, and depletion of natural resources have become major concerns across the globe. Therefore, it is essential to educate and motivate young people to actively participate in environmental conservation activities.

Keeping this objective in mind, the NSS Unit of Shri Gnanambica Degree College (Autonomous), Madanapalle organized World Environment Day celebrations on 05 June 2026 with great enthusiasm and active participation from students, NSS volunteers, faculty members, and staff.

Objectives of the Programme

The programme was organized with the following objectives:

1. To create awareness about environmental conservation among students and the public.
2. To promote tree plantation and greenery.
3. To encourage students to adopt eco-friendly practices.
4. To educate society about climate change and environmental challenges.
5. To develop social responsibility among NSS volunteers.
6. To motivate youth to participate actively in environmental protection activities.

Programme Details :

The programme commenced at Shri Gnanambica Degree College (Autonomous), Madanapalle in the morning. NSS volunteers, students, faculty members, and non-teaching staff assembled at the college premises and participated enthusiastically in the activities organized for the occasion.

An awareness rally was conducted from the college campus through the major streets of Madanapalle town and proceeded towards the Bus Stand area. During the rally, students carried

AN ISO 9001 - 2015 CERTIFIED INSTITUTION

placards displaying messages related to environmental protection and raised slogans emphasizing the importance of tree plantation, pollution control, water conservation, and sustainable living.

The rally successfully attracted the attention of the public and spread awareness regarding environmental issues. The participants educated local residents about the importance of protecting nature and adopting environmentally friendly habits in their daily lives.

Plantation Programme

As part of the World Environment Day celebrations, a plantation programme was conducted at the Bus Stand premises. NSS volunteers planted saplings and encouraged members of the public to participate in tree plantation activities.

The volunteers explained the environmental benefits of trees, including improving air quality, reducing pollution, conserving biodiversity, preventing soil erosion, and combating global warming. Students actively participated in planting saplings and pledged to take responsibility for their maintenance and growth.

The plantation programme served as a practical demonstration of environmental conservation and inspired participants to contribute towards creating a greener environment.

Address by the Correspondent

On this occasion, the Correspondent of the college, **Sri R. Guruprasad Garu**, addressed the gathering. He emphasized that environmental protection is the responsibility of every citizen and highlighted the growing environmental challenges faced by society today.

He stated that increasing pollution, deforestation, and climate change pose serious threats to humanity and stressed the importance of tree plantation as an effective solution to these problems. He encouraged students to become responsible citizens and actively participate in environmental conservation activities.

Sri Guruprasad Garu appreciated the efforts of the NSS volunteers, students, and faculty members for organizing the programme successfully and contributing towards environmental awareness.

Address by the Principal

The Principal of the college, **Smt. S. Ramadevi Garu**, addressed the participants and emphasized the importance of preserving natural resources for future generations.

She highlighted that environmental protection should not be limited to a single day but should become a continuous responsibility of every individual. She encouraged students to plant more trees, avoid the excessive use of plastic, conserve water, and adopt sustainable practices in their daily lives.

She further stated that educational institutions play a crucial role in creating environmental awareness and shaping responsible citizens who can contribute positively to society.

Participation

The programme witnessed active participation from NSS volunteers, students, teaching faculty, and non-teaching staff.

The event was successfully organized under the guidance of NSS Programme Officers:

- Mr. B. Devendra Naik
- Mr.S.Meghavardhan

The Physical Director Mr. Sharath Kumar Naik, faculty members, and supporting staff extended their full cooperation in conducting the programme smoothly and effectively.

Outcomes of the Programme

The programme achieved the following outcomes:

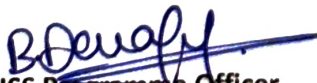

- Increased awareness among students and the public regarding environmental protection.
- Encouraged tree plantation and greenery development.
- Promoted eco-friendly habits and sustainable living practices.
- Enhanced the sense of social responsibility among NSS volunteers.
- Motivated students to participate actively in community service activities.
- Strengthened teamwork, leadership, and communication skills among volunteers.
- Inspired participants to contribute towards a cleaner and greener environment.

Conclusion

The World Environment Day Celebration organized by the NSS Unit of Shri Gnanambica Degree College (Autonomous), Madanapalle on 05 June 2026 was highly successful. The awareness rally and plantation programme effectively conveyed the importance of environmental conservation and sustainable development.

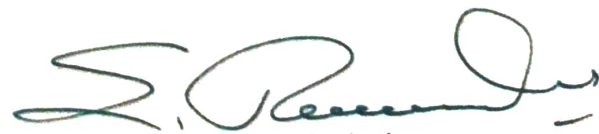

The programme created awareness among students and the public about the need to protect nature and conserve natural resources. It also reinforced the values of social responsibility, community service, and environmental stewardship among NSS volunteers.

The event concluded with all participants taking a pledge to protect the environment, plant more trees, conserve natural resources, and actively contribute towards building a greener, healthier, and sustainable future.
