

**Mrs. S. Kavitha**  
MCA, M.Tech  
Assistant Professor  
**UHV Coordinator**

Mrs. S. Kavitha is an Assistant Professor in the Department of Computer Science & Applications at Shri Gnanambica Degree College (Autonomous), Madanapalle. She holds a Master of Technology (M.Tech) from Madanapalle Institute of Technology and a Master of Computer Applications (MCA) from Manipal University.

She is a committed educator with expertise in **Data Science, Database Management Systems (DBMS), Python Programming, R Programming, and SAP ABAP**. Her academic interests focus on data-driven technologies, software development, and emerging computing applications, enabling students to acquire both theoretical knowledge and practical skills relevant to industry requirements.

Mrs. Kavitha serves as the **Universal Human Values (UHV) Coordinator** of the institution and actively conducts **UHV Induction Programmes** for newly admitted students. Through these programmes, she helps students develop ethical values, self-awareness, and a holistic approach towards personal and professional growth.

She is proficient in modern programming technologies and is dedicated to promoting experiential learning, analytical thinking, and problem-solving skills among students. Her student-centric approach, technical expertise, and commitment to continuous learning make her a valuable contributor to the academic and institutional development of the college.
