INSTITUTIONAL BEST PRACTICES SHOWCASED

MSME Entrepreneurship Development Programme

Programme Coordinator: Mr. B. Devendra Naik

The institution organizes Entrepreneurship Development Programmes in collaboration with MSME to promote entrepreneurial thinking and self-employment among students. Experts introduce students to business planning, startup opportunities, government support schemes, innovation, and financial assistance available for aspiring entrepreneurs. The programme motivates students to develop entrepreneurial skills and explore self-employment as a viable career option.

- **CREATES EMPLOYMENT** – MSMES GENERATE A LARGE NUMBER OF JOBS, ESPECIALLY IN RURAL AND SEMI-URBAN AREAS, HELPING REDUCE UNEMPLOYMENT.
- **SUPPORTS ECONOMIC GROWTH** – THEY CONTRIBUTE SIGNIFICANTLY TO A COUNTRY'S GDP, INDUSTRIAL PRODUCTION, AND EXPORTS, STRENGTHENING THE ECONOMY.
- **PROMOTES ENTREPRENEURSHIP** – MSMES ENCOURAGE INDIVIDUALS TO START THEIR OWN BUSINESSES WITH RELATIVELY LOW INVESTMENT, FOSTERING INNOVATION AND SELF-EMPLOYMENT.
- **BALANCED REGIONAL DEVELOPMENT** – BY SETTING UP INDUSTRIES IN DIFFERENT REGIONS, MSMES HELP REDUCE REGIONAL ECONOMIC DISPARITIES AND IMPROVE LOCAL DEVELOPMENT.

Bajaj Finserv Career and Financial Literacy Programme

Programme Coordinator: Mr. N. Venkataramana

In association with Bajaj Finserv, the institution conducts career readiness and financial literacy programmes to enhance students' understanding of personal finance, banking, investments, insurance, budgeting, and career planning. These sessions equip students with practical financial management skills while preparing them to make informed career and financial decisions.

BAJAJ FINSERV

- **INDUSTRY-RELEVANT COURSES** - BAJAJ FINSERV EDUCATION OFFERS CERTIFICATION AND PROFESSIONAL COURSES IN AREAS SUCH AS FINANCE, BANKING, DIGITAL MARKETING, DATA ANALYTICS, AND TECHNOLOGY.
- **SKILL DEVELOPMENT** - THE PROGRAMS FOCUS ON DEVELOPING PRACTICAL, JOB-READY SKILLS THROUGH HANDS-ON LEARNING, CASE STUDIES, AND REAL-WORLD PROJECTS.
- **CAREER SUPPORT** - MANY COURSES INCLUDE CAREER GUIDANCE, RESUME-BUILDING ASSISTANCE, INTERVIEW PREPARATION, AND PLACEMENT SUPPORT TO HELP LEARNERS FIND EMPLOYMENT.
- **FLEXIBLE LEARNING** - STUDENTS CAN LEARN THROUGH ONLINE AND HYBRID MODES, MAKING IT EASIER TO STUDY AT THEIR OWN PACE WHILE BALANCING COLLEGE OR WORK COMMITMENTS.

Naandi Foundation Employability Skills Programme

Programme Coordinator: Dr. B. Madhusudhan Naik

The institution partners with Naandi Foundation to provide employability skills training aimed at improving students' communication, personality development, problem-solving, teamwork, and interview skills. Through interactive workshops and practical sessions, students develop workplace competencies and confidence required for successful careers.

NAANDI

- **Improves Education** – Naandi Foundation works to improve the quality of education and provides learning opportunities for children and youth.
- **Enhances Employability** – It offers skill development and vocational training programs that help students and young adults become job-ready.
- **Supports Sustainable Livelihoods** – The foundation helps farmers and rural communities improve their income through agriculture and livelihood development initiatives.
- **Promotes Social Development** – Naandi Foundation works in areas such as nutrition, safe drinking water, women's empowerment, and community development to improve overall quality of life.

ICT Skill Development Workshops

Programme Coordinator: Mrs. S. Sulthana

The college organizes ICT Skill Development Workshops to strengthen students' digital competencies and technological proficiency. The workshops cover productivity tools, digital communication, online collaboration platforms, cybersecurity awareness, and emerging technologies, enabling students to effectively utilize information and communication technology in academic and professional environments.

ICT

- **Improves Communication** – ICT enables fast and efficient communication through email, video conferencing, messaging apps, and social media.
- **Supports Education** – It provides access to online learning, digital classrooms, educational resources, and e-learning platforms.
- **Increases Productivity** – ICT helps individuals and organizations complete tasks more efficiently using computers, software, and automation tools.
- **Easy Access to Information** – ICT allows people to quickly access, store, share, and retrieve information through the internet and digital devices.

Industry Internship Programme

Programme Coordinator: Mr. B. Jaya Krishna

To promote experiential learning as envisioned in NEP 2020, the institution facilitates internships with industries and organizations across various sectors. Students gain hands-on experience, understand workplace practices, apply classroom knowledge to real-world situations, and develop professional skills that enhance their employability and career readiness.

INTERNSHIPS

- **PROVIDES PRACTICAL EXPERIENCE** – INTERNSHIPS HELP STUDENTS APPLY CLASSROOM KNOWLEDGE TO REAL-WORLD WORK ENVIRONMENTS AND GAIN HANDS-ON EXPERIENCE.
- **Develops Professional Skills** – They improve communication, teamwork, problem-solving, time management, and workplace ethics.
- **Enhances Career Opportunities** – Internship experience strengthens a resume and increases the chances of securing a full-time job after graduation.
- **Builds Professional Networks** – Interns get the opportunity to connect with industry professionals, mentors, and employers, which can help in future career growth.

NISM Certification Programme

Programme Coordinator: Mrs. B. Rajeswari

The institution encourages students to participate in certification programmes conducted by the National Institute of Securities Markets (NISM). These programmes provide knowledge of financial markets, mutual funds, securities, investment planning, and regulatory frameworks, enabling students to acquire industry-recognized certifications and improve their career prospects in the financial sector.

Mobile-Free Campus Initiative

The institution follows a Mobile-Free Campus policy to create a focused and distraction-free learning environment. Students are encouraged to refrain from using mobile phones during academic hours, thereby improving classroom engagement, concentration, discipline, and interaction with faculty members. This initiative promotes active participation in academic and co-curricular activities while fostering responsible use of technology.

Part-Time Employment Support for Economically Disadvantaged Students

The institution extends support to economically disadvantaged students by facilitating part-time employment opportunities in and around Madanapalle. Through the Placement Cell, faculty mentors, and local employers, eligible students are guided towards flexible jobs that enable them to meet their educational expenses while continuing their studies. This initiative promotes financial independence, practical work experience, and equitable access to higher education.

OUTCOME OF THE ACTIVITY

The activity successfully showcased the institution's best practices implemented under the framework of **NEP 2020** through video presentations supported by documentary evidence. Participants gained comprehensive knowledge of the college's initiatives in entrepreneurship development, financial literacy, employability enhancement, ICT-enabled learning, internships, professional certifications, placement support, academic discipline, and student welfare. The showcased practices reflected the institution's commitment to holistic education, experiential learning, industry collaboration, and inclusive student support. The activity also strengthened institutional documentation for **NEP SAARTHI**, **IQAC**, and **NAAC** quality initiatives while encouraging the sharing and adoption of innovative practices across higher education institutions.
