

11 NOV 2022

Guest Lecture on inorganic chemistry

Dr. Srinivasan Natarajan
Professor, Framework Solids Laboratory ,
Solid State and Structured Chemistry
Indian Institute of Science, Bangalore

Guest Lecture on Development of High Efficiency Organic Solar cells

Dr. Rajesh Narayana Perumal
Head, Center for Radiation,
Environmental Science and Technology(SSN-CREST)
Siva Nadar Unioversity, Chennai

Guest Lecture on ROLE of Science and Material in new Technologies

Dr. John Philip FNASC
Associate Director, MCG & HEAD, SMARTS
Mettallurgy & Materials Group
Professor, HOMIBHABHA National Institute
Indira Gandhi Center for Atomic Research

Guest Lecture on Optical Fibre Communication

Prof. C.K. Jaya Sankar Ph.D. FNASc
UGC FSR Faculty Fellow
Department of Physics
Sri Venkateswara University
