Mrs. S.Rama Devi , M.Com., M.Phil, MBA,
Principal.

Respected Sir / Madam ,

Good afternoon,

I wish to inform that Shri Gnanambica Degree College (A) , Madanapalle has successfully conducted its first Academic Council meeting on August 17, 2024, following the attainment of Autonomous Status. We are planning to organize an Academic Council II meeting for the academic year 2024-25 on 18.3.2025. Kindly accept our request and attend the meeting.

With kindest regards,

Yours sincerely,

Principal

Shri Gnanambica Degree College
MADANAPALLE

Agenda :

1. Ratification of Syllabus: Seeking approval for the syllabus of the II Semester, as approved in the BoS meetings held on 24.01.2025, 25.01.2025, and 27.02.2025.
2. New Programme : B.Sc. Data Science program currently consists of two sections, each with 50 seats, totaling 100 seats. We propose transforming one of these sections to introduce a B.Sc. Artificial Intelligence program.
3. New Programme Introduction: We plan to introduce an Apprenticeship-Embedded Degree Programme in B.Com. BFSI under the Centre for Research in Schemes and Policies (CRISP). Kindly seek your approval for these initiatives.

Agenda

1	Ratifying the syllabus approved for II Semester in BoS meeting which is held on 24.01.2025, 25.01.2025 AND 27.02.2025.
2	New Programme: B.Sc. Data Science program currently consists of two sections, each with 50 seats, totaling 100 seats. We propose transforming one of these sections to introduce a B.Sc. Artificial Intelligence program.
3	New Programme Introduction: We plan to introduce an Apprenticeship-Embedded Degree Programme in B.Com. BFSI under the Centre for Research in Schemes and Policies (CRISP). Kindly seek your approval for these initiatives.
4	Any other Matters

The chairman of Academic Council welcomes all the panel members for the meeting. The items listed in the agenda were taken for discussion.

Item 1	Ratifying the syllabus approved for II Semester in BoS meeting which is held on 24.01.2025, 25.01.2025 and 27.02.2025.
Discussion	<ul style="list-style-type: none"> •Content Relevance: Ensuring that the topics included in the syllabus are relevant to the subject's scope and provide students with up-to-date knowledge and skills. •Learning Objectives and Outcomes: Aligning the course objectives with the desired learning outcomes to ensure clarity in what students are expected to learn and achieve by the end of the semester. •Assessment Criteria: Review of the evaluation methods, including assignments, quizzes, projects, and examinations, to ensure they are fair, comprehensive, and provide a balanced assessment of student performance.
Resolution	Ratified the II semester syllabus approved by the BoS members of different subjects.

Item 2	New Programme: B.Sc. Data Science program currently consists of two sections, each with 50 seats, totaling 100 seats. We propose transforming one of these sections to introduce a B.Sc. Artificial Intelligence program.
Discussion	<ul style="list-style-type: none"> •AI technologies are revolutionizing industries across the globe, including healthcare, finance, automotive, robotics, and more. The demand for AI professionals is soaring, with companies seeking experts in machine learning, deep learning, natural language processing (NLP), computer vision, and related fields. •This shift in industry needs presents an opportunity for our institution to align with emerging trends and prepare students for the rapidly expanding AI job market.
Resolution	The committee anonymously approved the transformation of one section of B.Sc Data Science to B.Sc Artificial Intelligence Programme.

Item 3	New Programme Introduction: We plan to introduce an Apprenticeship-Embedded Degree Programme in B.Com. BFSI under the Centre for Research in Schemes and Policies (CRISP). Kindly seek your approval for these initiatives.
Discussion	<ul style="list-style-type: none"> •The BFSI sector is one of the largest and most dynamic sectors globally, with vast employment opportunities. However, there is a noticeable skills gap between the theoretical knowledge gained in traditional academic programs and the practical skills required by employers in the BFSI industry. •This program is designed to address this gap by embedding apprenticeship training within the degree curriculum. It will provide students with relevant industry exposure, ensuring they are job-ready when they graduate.
Resolution	The initiation of B.Com BFSI under CRISP has been approved and steps may be taken for further update of the program.
