

Mr. C. Mahesh Babu

MCA, APSET

Assistant Professor

HOD, Department of Computer Science & Applications

Training & Placement Officer

Mr. C. Mahesh Babu is the Head of the Department of Computer Science & Applications and serves as the Training and Placement Officer at Shri Gnanambica Degree College (Autonomous), Madanapalle. He holds a Master of Computer Applications (MCA) degree from Jawaharlal Nehru Technological University (JNTU), Hyderabad, and qualified AP-SET in Computer Science in 2018.

With more than eight years of teaching experience, he has been actively involved in academic instruction, student mentoring, departmental administration, and placement activities. His areas of interest include **Software Testing** and **Web Technologies**, and he is committed to bridging the gap between academic learning and industry requirements. He possesses strong technical expertise in programming, software development, database management systems, and web application development.

As the Training and Placement Officer, Mr. Mahesh Babu has played a key role in enhancing student employability by organizing training programmes, workshops, career guidance sessions, and campus recruitment drives. He works closely with industry partners to create opportunities for students and prepare them for successful careers. Known for his dedication, leadership, and student-centric approach, he continues to contribute significantly to the academic and professional growth of learners.
