

Mr. Brahmeswar Rao K., M.Sc (Mathematics)
Assistant Professor

Mr. Brahmeswar Rao K is an experienced Assistant Professor specializing in Mathematics at our institution. He holds an M.Sc. in Mathematics from Nagarjuna University. Since joining our faculty in August 2006, Mr. Brahmeswar Rao has been instrumental in shaping the academic landscape with his extensive knowledge and dedicated approach to teaching.

With nearly two decades of experience, Mr. Brahmeswar Rao brings a wealth of expertise to his role. He is deeply committed to nurturing students' understanding of mathematical principles and fostering critical thinking skills. His proactive involvement in curriculum development ensures that students receive a rigorous and comprehensive education aligned with current academic standards and industry demands.

Mr. Brahmeswar Rao's passion for mathematics education and his mentorship are reflected in his positive impact on students and colleagues alike. His dedication to academic excellence continues to inspire aspiring mathematicians to achieve their full potential in our institution.
