

Ms. Ramanamma P., M.Sc(Chemistry)  
Assistant Professor

Ms. Ramanamma P is an Assistant Professor specializing in Chemistry at our institution. She holds an M.Sc. in Chemistry from S.V. University and brings 21 years of extensive experience in the field. Ms. Ramanamma is renowned for her deep knowledge and dedication to imparting a profound understanding of chemistry to her students.

Throughout her tenure, Ms. Ramanamma has demonstrated exceptional expertise in both theoretical concepts and practical applications of chemistry. Her commitment to academic excellence is reflected in her innovative teaching methodologies and active involvement in curriculum development. She ensures that students receive education that aligns with current scientific advancements and prepares them for successful careers in Chemistry.

As a seasoned educator, Ms. Ramanamma continues to inspire and mentor students, fostering a nurturing learning environment that encourages curiosity and exploration in the field of Chemistry. Her contributions to academia and her passion for teaching make her a valuable asset to our institution.
